

Noble House Molier
Anno 1157
Tandem Erit Messis

Royaum Sans Frontières, 12 december 2013,

To my dear Friends and those whom these presents come, Greetings!

First 'I' wish welcome;

Pieter Clemens van der Spek/'BELASTINGDEURWAARDER' GEMEENTE RIJSWIJK.

'I' am sorry YOU people (or Artificial Intelligences) wish not respond to my messages, but, such is Free Will, some have it, others don't. My offer to YOU, plus ALL in your organisation, is to assist in your personal internal process of Alchemy, polishing your 'diamond', For Free (OMNIET), YOU be your own programmer ...

To Pieter Clemens van der Spek/'BELASTINGDEURWAARDER' GEMEENTE RIJSWIJK, for the continuation of using threatening words against 'me', such as '**EXPLOOT and DWANGBEVEL**', this 'time' without 'IN NAAM DES KONINGS' (?! are you a for 'profit' private corporation???) against the 'Natural Person' ALBERT PATRICK MOLIER ©, of which I AM executor/administrator, YOU are NOT my TRUSTEE, YOUR offer to 'contract', Living Man to Living Man, is NOT accepted, you are again asked to Please 'cease and desist'. YOU do NOT speak on behalf of King Willem Alexander, for he has a voice of his own. 'I' am NO part of the STATE OF THE NETHERLANDS CORPORATION, nor under its alleged 'laws', as per agreement with the former Queen Beatrix von Amsberg. Please do contact King Willem Alexander in case my word be not enough for you. YOU sir live in an illusion, but, do not we all?!

You are herewith receiving a FINE of €10.000, to be Donated to the UQD Foundation www.uqd-edu.eu, by Act of Free Will, for unlike YOU, 'I' use NO 'force'.

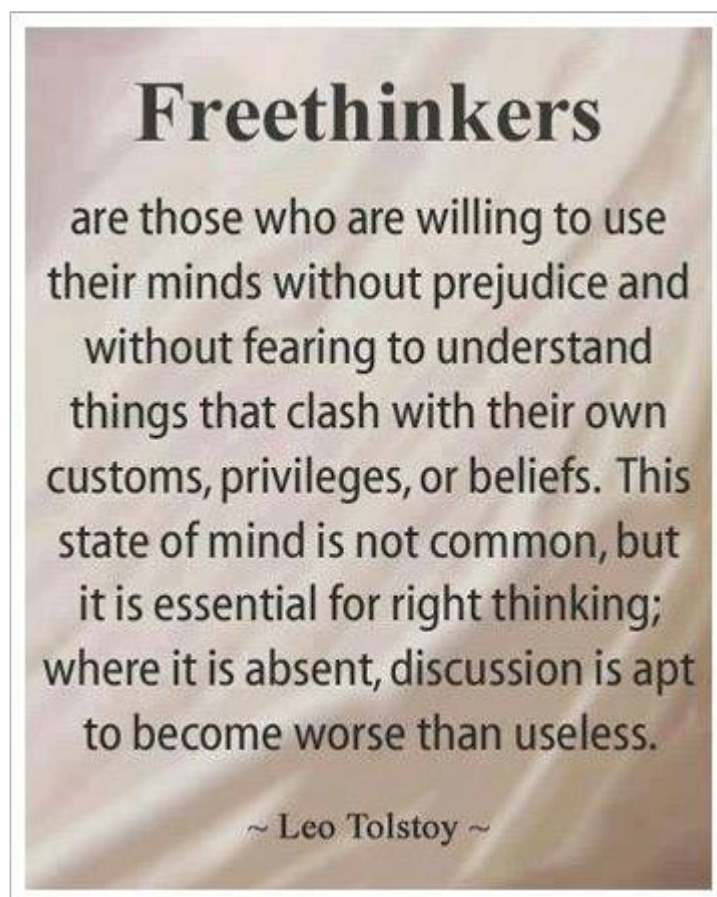

To Mayor drs. M.J. Bezuijen/GEMEENTE RIJSWIJK, why not did YOU respond to my request? If YOU read my previous messages you would know I have 'money' nor 'property', for ALL my worldly possessions given to the UQD Foundation and SWKM-OSG. Do you really, knowing this, wish to make all these troubles, for just a few hundred euro? Having nothing myself, do you wish try STEALING from the UQD Foundation and SWKM-OSG, used as vehicles of SHARING for the greater good of All-That-Is, without asking any-thing in return? Please, as head of police, do NOT use 'force' against my Free Will as Sovereign Living Man on the Land, for YOU have NO STANDING in entering my castle, a foreign

Nation State Royaum Sans Frontières, also used as Embassy for SWKM-OSG, plus for our University and UQD Foundation. I herewith repeat my offer of Helping the Municipality of Rijswijk and its inhabitants, For Free (OMNIET), please do respond, as a Living Man, not a legalese speaking robot.

YOU too are receiving the same FINE of €10.000, as above mentioned, for being responsible for this Act of Agression, as a Donation to the UQD Foundation, by Act of Free Will.

To King Willem Alexander.

I am very sorry you got mixed up in this situation of people claiming to Act in YOUR name. 'I' am NOT my body, instead, as the eternal (not to be named) I AM, have NOT given YOU 'right' to HARM or STEAL from 'others'. Even the Pope, known as Franciscus, has made clear ALL are PERSONALLY RESPONSABLE FOR THEIR ACTIONS, there be NO more cloak to hide behind. Surely, you are aware of all this, but what about down line? I wish for you to receive inspiration to inspire others, for the good of All-That-Is, to be the King of your Dreams, Acting your Role, from the realms of Free Will, in this here Teatro del Mondo, spreading Joy and Happiness.

My wish be for ALL to enter and 'live' in the State of Mind of Count Tolstoy (is EA watching YOU consiousness truth - truth watching power sequence truth watching split), surely this would change the co-creation we call 'world'. My next 'year' experiment, will YOU share with me food or let me starve, the moment of TRUTH, mmmmmmmmm ...
