

Noble House Molier  
Anno 1157  
Tandem Erit Messis

Royaum Sans Frontières, 21 september 2013,

To my dear Friends and those whom these presents come, Greetings!

Know that that we call 'world' is changing.

Know that 'we' are changing.

Know that All-That-Is is changing.

Know that the 'Supreme Pontiff' Francis has sent an Apostolic Letter indicating ALL are Personally Responsible as of 1 september 2013.

Know that ALL 'corporations' (including 'governments') worldwide have been foreclosed by use of UCC by OPPT, reason being the Operating of Slavery Systems.

Know that ALL are Personally Responsible for their Actions.

Know that I wish not 'contract'.

Know that I wish not be Spoken or Directed to in 'legalese' or 's-word', I stand under No Thing, some of you continue trying, please stop these actions.

Know that we are in need of a new Weltanschauung.

Know that establishing a new co-creation of that called 'world' is the road to Joy and Happiness, for all that wished.

Know that I wish Help You, For Free, like supporting your helping our fellow HU-MAN worldwide.

Know that the 'time' of Jubilee is now.

Know that you are ALL INVITED TO MY PARTY!

Please informally dressed, no more 'business' suits.

Since I possess no more that called 'money' consider this a 'dutch' party, if all bring something to eat or drink, the FUN can start.

Myself will be most willing to do some 'wokking' of vegetables, with or without spices, as you prefer, with or without meat/chicken, depending if someone brings it.

It may be a little cold inside since the sun is shinging less and wind from different direction. I do appologize for having no heating, I try saving as much as possible on gas and electricity, this also being the reason for having switched off the freezer, including the cooling part, but know that inside the room enough light will shine.

The reason for our gathering being discussing how to enter the next level of 'existence', without 'money' or 'property', without 'borders' or 'limits', where ALL is shared For Free without asking anything in return, where ALL is by act of Free Will without 'harming' the other you.

Myself having created the realms of Royaume Sans Frontières for this purpose, as a copy/fork of All-That-Is, in which you are free to enter, but know you are allowed, and supported, create your own realm/dream as part of our common dream.

If you could all send me some possible dates we can choose one that fits all.  
At the same 'time' it will indicate how many chairs and tables I need organize extra.

HRH Prince Patrick from the Noble House Molier,  
Sovereign of Royaume Sans Frontières,  
Secretary/Treasurer University of Quantum Dynamics Foundation,  
Patron Prince Sovereign White Knights of Malta - Order of St. Germain,  
etc etc.
